U.S. Department of State

Department of State Update on Exercises, Experiments and Wargames

Bureau of Political-Military Affairs (PM)
Christina Rosati

as of March 8, 2007

Department of State Participation in Exercises, Experiments and Wargames

- The Bureau of Political-Military Affairs is developing a proposal to rationalize State-wide participation in Exercises, Experiments and Wargames (EEW)

Currently

► No Department-wide process is in place to prioritize or adjudicate value of State participation

► State learning objectives have not been defined

Therefore

► No visibility across State on universe of DoD requests

► Imbalances in State participation

Elements of a Proposed State Department *Exercises, Experiments and Wargames (EEW) Program*

PM-Facilitated Process Established to Design a State Department EEW Program — 1

→

EEW Objectives Identified — 2

→

EEW Participation Priorities Established — 3

4-5 **Explore Establishment within Department of State of Participation Requirements, Recognition and Incentives**

Desired End State: Ability to Engage Effectively with DoD in EEW

While Meeting State-Defined Objectives

Department of State Participation in Exercises, Experiments and Wargames (continued)

Towards A Comprehensive Approach: How DoD Can Help
